

User agreement

This agreement will take effect on January 20th, 2022.

In order to use this software and services, you should read and abide by this agreement. Unless you have read and accepted all the terms of this agreement, you have no right to download, install or use this software and related services. Your download, installation, use, login, etc. will be deemed that you have read and agreed to the above agreement.

1. Scope of the Agreement

This agreement is an agreement between you and this software regarding your downloading, installation, use of this software and use of related services of this software.

The content of this agreement also includes the related agreements and business rules about this service that may be continuously released by this software. Once the above content is officially released, it is an integral part of this agreement, and you should also abide by it.

2.About this software and related services

To use this service, you need to download the client software of this software. For these softwares, this software gives you a personal, non-transferable and non-exclusive license.

This software gives you a personal, non-transferable and non-exclusive license to use this software. You can install, use, display and run this software on a single terminal device for non-commercial purposes.

All other rights not expressly authorized by this clause and other clauses of this agreement are still reserved by this software, and you must obtain the written permission of this software separately when you exercise these rights. If the software fails to exercise any of the aforementioned rights, it does not constitute a waiver of the rights.

3.Protection of users' personal information

Protecting users' personal information is a basic principle of this software, and this software will take reasonable measures to protect users' personal information. Except as provided by laws and regulations, the software will not disclose or disclose the personal information of users to third parties without the permission of users. This software uses professional encrypted storage and transmission of relevant information to ensure the security of users' personal information.

Without your consent, this software will not disclose your personal information to any company, organization or individual other than this software, except as otherwise provided by laws and regulations.

This software attaches great importance to the protection of minors' personal information. If you are a minor under the age of 18, you should obtain the written consent of your parents or legal guardians before using the services of this software.

4.User behavior norms

The information content mentioned in this article refers to any content produced, copied, published and disseminated by users in the process of using the software and services.

You understand and agree that this software has been committed to providing users with a civilized, healthy, standardized and orderly network environment. You shall not use this software account or this software and services to make, copy, publish or disseminate the following contents that interfere with the normal operation of this software and infringe the legitimate rights and interests of other users or third parties, including but not limited to:

(1)Publish, transmit, spread and store content that violates the national laws and regulations:

- 1) Violating the basic principles determined by the Constitution;
 - 2) endangering national security, revealing state secrets, subverting state power and undermining national unity;
 - 3) harming the national honor and interests;
 - 4) Inciting ethnic hatred and discrimination and undermining national unity;
 - 5) sabotaging national religious policies and propagating cults and feudal superstitions;
 - 6) spreading rumors, disturbing social order and undermining social stability;
 - 7) Spreading obscenity, pornography, gambling, violence, terror or abetting crimes;
 - 8) Insulting or slandering others and infringing upon their legitimate rights and interests;
 - 9) Inciting illegal assembly, association, procession, demonstration and gathering people to disturb social order;
 - 10) activities in the name of illegal non-governmental organizations;
 - 11) Failing to meet the requirements of "seven bottom lines" such as laws and regulations, socialist system, national interests, citizens' legitimate interests, public order, social morality and information authenticity;
 - 12) Other contents prohibited by laws and administrative regulations.
- (2) Publish, transmit, spread and store the content that infringes others' legal rights such as reputation right, portrait right, intellectual property right and trade secret.

5.Statement of intellectual property rights

This software is the intellectual property owner of this software. All intellectual property rights such as copyright, trademark right, patent right and trade secret of this software, as well as all information content related to this software (including but not limited to words, pictures, audio, videos, charts, interface design, layout framework, relevant data or electronic documents, etc.) are protected by laws and regulations of the People's Republic of China and corresponding international treaties, and this software enjoys the above intellectual property rights, except the rights that relevant obligees should enjoy according to the law.

Without the written consent of the software or related obligee, you may not implement, utilize or transfer the above-mentioned intellectual property for any commercial or non-commercial purpose by yourself or by any third party.

6.Others

You use this software as if you have read and agreed to be bound by this agreement. This software has the right to modify the terms of this agreement when necessary. You can refer to the relevant agreement terms in the latest version of this software. After the terms of this agreement are changed, if you continue to use this software, it will be deemed that you have accepted the revised agreement. If you do not accept the revised agreement, you should stop using the software.

The establishment, effectiveness, performance, interpretation and dispute resolution of this agreement shall be governed by the laws of mainland China (excluding conflict of laws).

If there is any dispute or dispute between you and the software, you should first settle it through friendly negotiation. If negotiation fails, you agree to submit the dispute or dispute to the people's court with jurisdiction in the place where this agreement is signed.

The headings of all clauses in this agreement are for reading convenience only, and they have no actual meaning, and cannot be used as the basis for interpretation of the meaning of this agreement.

No matter why some of the terms of this agreement are invalid or unenforceable, the remaining terms are still valid and binding on both parties.
